## How to find us

We are located in the village of Busby, between Clarkston and East Kilbride on the south side of Glasgow. Driving from the city centre, proceed over the Kingston Bridge and take the M77 towards Prestwick Airport.

From the M77 take the exit marked Paisley (approx 6 miles) and turn left at the junction on the A727 towards Giffnock. Proceed approx 2 miles going straight through 3 large roundabouts following signs to East Kilbride to arrive in Clarkston where there are shops lining both sides of the street.

Proceed on the A727 through Clarkston to a small roundabout known as Sheddens and turn left towards East Kilbride. Proceed over the hill and you will see us on the right hand side. Turn right just as you pass the pharmacy and right again into the car park.
